## HAIR AND BEAUTY TREATMENTS Price List

When booking your appointment, please ask our reception staff how much time you should allow for your treatment. As our services are carried out by students in training, some treatments may take longer than in a commercial salon, so we appreciate your patience.

All clients are asked to complete a salon record on their first visit. For future treatments, students will carry out consultations with you before each service. Please provide as much information as possible so we can give you the most suitable treatment and products.

All information is completely confidential and will not be shared with anyone.

LEWISHAM  
COLLEGE

T'ien is a training salon where treatments are carried out by students trained to the highest standard, under the supervision of fully qualified teaching staff.

We are open throughout the year during term time. Opening times may vary, so please call our reception to check availability.
