COURSE GUIDE 2019

MESSAGE FROM OUR PRINCIPAL

“

A very warm welcome to Lewisham College.

The College is a welcoming, supportive, inclusive and a safe place to study, socialise and enjoy yourself.

It may seem like a large and unfamiliar place when you first arrive, but our friendly staff and students will soon make you feel very welcome.

The College buildings, facilities and other resources are here for you to use and enjoy.

We are passionate about offering you an outstanding learning experience and supporting you to achieve your goals.

I look forward to seeing you at the College very soon.

A handwritten signature in black ink, which appears to read 'Asfa Sohail'.

Asfa Sohail
Principal

”

MONTHLY OPEN EVENTS

OUR OPEN EVENTS are a great way to get a feel for college life and see our amazing facilities. You will have the opportunity to speak to staff and meet current students. Visit our website and register for fast track entry today:

Why choose us?

GET SET FOR SUCCESS AT LEWISHAM COLLEGE - A TOP FIVE LONDON INSTITUTION

We are a thriving, dynamic further education college based across two impressive campuses on Lewisham Way and at Deptford Bridge. At Lewisham College, we help you to gain the qualifications, professional skills and confidence you need to achieve your career ambitions.

The College is one of the best in the capital, ranked 3rd in London according to the latest Department of Education tables*. We are part of NCG - one of the largest further education providers in the UK - and have recently been rebranded as Lewisham College, having previously been part of Lewisham Southwark College. This is an exciting change which allows us to tailor our curriculum to meet the needs of the communities we serve, bringing even more opportunities for our students. At our well-equipped, innovative Lewisham campus, we offer vocational courses

in a wide range of fascinating subjects - from business to beauty - while our large Deptford campus specialises in construction training. Our aim is to prepare you for an exciting career in your chosen sector, and our courses are designed with this in mind. You'll be taught by tutors with industry experience, benefit from visits and lectures from external businesses, and get hands-on experience by going on work placements.

You can also choose to 'earn while you learn' on our highly successful apprenticeship programme.

The College has excellent success rates, with 100 per cent of students achieving their qualification in many subject areas. Whether you want to find your first role in an industry you're passionate about, or progress on to further study, Lewisham College is the place to start.

WHAT WE OFFER:

- Friendly, supportive community where your voice matters
- Impressive campuses in Lewisham and Deptford, which are easily accessible by tube, DLR, train and bus
- State-of-the-art facilities that reflect what you'll find in the industry
- Courses at a variety of levels, enabling you to start studying the subject you love right away and then progress on to the next level
- Strong business partnerships, ensuring you gain the skills employers are looking for
- Access to advanced resources and innovative teaching as part of the UK's largest provider of further education
- Excellent Student Support service to iron out any problems, helping you get the most out of your College experience

*Rankings relate to Lewisham Southwark College.

Information for parents and carers

AS A PARENT OR CARER you may have some questions and concerns about how your child should apply to the College, the courses we offer, and helping your child make a smooth transition from school to College.

We are always happy to help. We encourage you to come along to one of our open days to get an idea of life at College, or contact us at

info@Lewisham.ac.uk

to discuss any particular queries. You can also see some frequently asked questions which you might find helpful on our website (Lewisham.ac.uk).

College is a more adult environment than school, where students benefit from becoming more independent, taking more responsibility for their own progress and getting ready for work. However for some students – and their parents – the transition can be daunting.

We aim to work with parents to give students the support they need to succeed at College and progress on to a great job or further study.

Every 16-18 year old student is on a Study Programme which includes not only their chosen course but

also English and maths support. As well as work experience, employability skills training, help with CV writing and preparing for a job or University interview. 16-18 year old students also have a Progress Coach who works with their lecturers and other support staff to make sure that learners have all the help and support that they need.

If you are a parent and have a question or query, please get in touch with us at:

info@Lewisham.ac.uk

or call: 020 3757 3000

Where our courses get you

STUDYING AT LEWISHAM COLLEGE

opens up a huge range of different options for your future and right from the start of your course, we'll encourage you to think about what you want to do next.

For many learners, studying will be a stepping stone to a more advanced qualification such as a degree course at university.

Alternatively, you may be eager to get straight to work and start applying what you've learnt in the real world. Throughout your course, you'll get the opportunity to go to careers fairs where you can talk to Higher Education providers and employers about where your course could lead.

Many of our students progress on to degree programmes at highly regarded universities and other institutions or interesting roles in a wide range of industries. With the right training and support, there's no reason why you shouldn't follow in their footsteps.

ALUMNI PROFILE

AJ HASELEY

AJ Haseley (pictured above right, with Jeremy Hackett, founder of upmarket men's clothing brand Hackett) is a professional mentor at University of the Arts - London College of Fashion.

AJ studied IT at Lewisham some years ago and went on to study for a degree in business, specialising in small business management administration, fashion business, management and advanced media. An award-winning mentor who's in great demand, AJ still finds time to take on lots of voluntary work and is keen to promote the value of education.

Our campuses

WE HAVE TWO CAMPUSES IN LEWISHAM AND DEPTFORD – both are easy to reach by public transport. Lewisham Way is our biggest campus, providing the broadest range of courses, while our Deptford Bridge campus specialises in construction training.

LEWISHAM WAY CAMPUS

Lewisham Way,
London, SE4 1UT

Buses: 21, 136, 321, 436

DLR: Lewisham or
Elverson Road

Rail: St Johns, Lewisham,
New Cross or Brockley

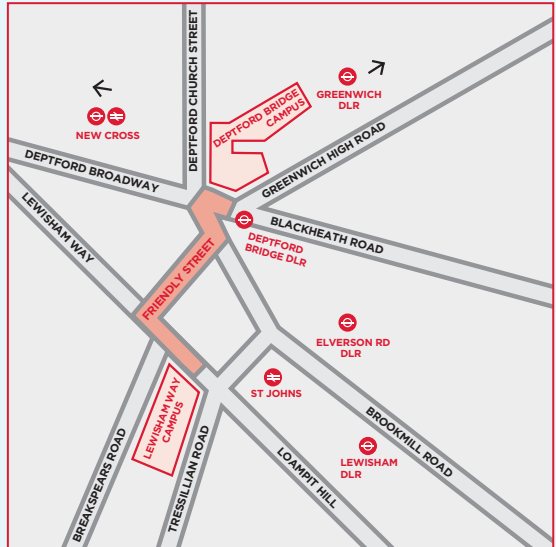

DEPTFORD BRIDGE CAMPUS

1 Deptford Bridge,
London, SE8 4HH,

Buses: 47, 53, 453, 177, 225

DLR: Deptford Bridge

Rail: Deptford or Greenwich

General entry requirements

The College's general entry requirements for each level are listed below.

Courses may have additional requirements which you will also need to meet. See our website (Lewisham.ac.uk) for details.

ENTRY LEVEL	LEVEL 1	LEVEL 2	LEVEL 3
<ul style="list-style-type: none"> ➤ No previous qualifications ➤ You must have a good reference, interview and assessment ➤ As a part of the application process your reading and writing skills will be assessed as well as your commitment and interest in the subject 	<ul style="list-style-type: none"> ➤ Entry Level qualification (including Entry Level 3 Skills in English and Maths) or GCSEs mainly at grade 2 ➤ Your commitment and interest in the subject will also be assessed at one of our 'meet the teacher' events 	<ul style="list-style-type: none"> ➤ Four GCSEs at grade 3 or above, plus a Level 1 qualification (with a suitable level of English or Maths Functional Skills) ➤ Related Level 1 qualification 	<ul style="list-style-type: none"> ➤ Five GCSEs at grade 4 or higher, including English Language ➤ Four GCSEs at grade 4 or higher including English Language, or relevant Level 2 qualification in a related subject ➤ A good interview and assessment: your commitment and interest in the subject will be assessed during the application process ➤ You must also satisfy the subject specific entry requirements

How to apply

YOU MAY KNOW EXACTLY what you want to study - or you may be in need of some inspiration. In this guide you can check out the great range of courses on offer at Lewisham College, get inspired and prepare to take your exciting next step! Once you have a course in mind, please apply via our website: Lewisham.ac.uk. Alternatively, you can visit any of our campuses or call us on **020 3757 3000** to apply.

If you have any other questions, contact our Admissions and Student Support Centres on **020 3757 3000**.

When enrolling you'll need to bring certain bits of evidence with you (for a full list of what you need to bring, see our website). We won't be able to complete your enrolment without this evidence, and it could delay you starting your exciting next step here at the College.

Course level guide

<p>Level 3 Advanced level</p> <p>If you already have at least 4-5 grade A*-C/9-4 GCSEs (including English and/or maths), BTEC Diploma, NVQ 2 or equivalent.</p> <p>2 Years</p>	<p>Qualifications</p> <ul style="list-style-type: none"> • A-levels • GCSE in applied subjects • International Baccalaureate • Key Skills Levels 3 • BTEC Awards, Certificates and Diplomas at Level 3 • NVQs at Level 2 	<p>With this level of qualification</p> <p>You could progress into higher education, an apprenticeship or a wide range of jobs.</p>

<p>Level 1 Foundation level</p> <p>If you have basic qualifications or low grades at GCSE.</p> <p>1 Year</p>	<p>Qualifications</p> <ul style="list-style-type: none"> • BTEC Introductory Diplomas and Certificates • Functional Skills at Level 1 • BTEC Awards, Certificates and Diplomas at Level 1 • Foundation Learning Tier Pathways • NVQs at Level 1 	<p>With this level of qualification</p> <p>You could move on to a Level 2 course or an apprenticeship.</p>
<p>Entry level</p> <p>If you have no qualifications or expect to need support with your future learning</p> <p>1-3 Years</p>	<p>Qualifications</p> <ul style="list-style-type: none"> • Entry Level Certificates • Skills for Life • Functional Skills at Entry Level (English, maths and ICT) • Functional Skills at Entry Level • Awards, Certificates and Diplomas at Entry Level • Foundation Learning at Entry Level 	<p>With this level of qualification</p> <p>You could move onto a Level 1 course.</p>

Support for your studies

WE WANT TO ENSURE YOU HAVE THE BEST POSSIBLE EXPERIENCE at Lewisham College. Whether you've already chosen a course, or need a bit of help deciding, our dedicated team is here to help you start your learning journey with us, and make the most of your time at the College.

ADMISSIONS

We want to make enrolling at Lewisham College as easy as possible for you. Once you've applied, we'll consider your application and arrange for you to come to the College so you can find out more about where and what you'd like to study. During the admissions process, our staff will talk to you about your chosen programme and give you a taster in your preferred subject area. We'll then confirm the outcome in writing, and keep in contact with you as you prepare to join the College.

ADVICE AND GUIDANCE

Our College has friendly and highly experienced staff on hand to offer advice about courses, careers and any issues you may need assistance with. This might include fees and finance or personal problems that could prevent you getting the most out of your experience.

LEARNING SUPPORT

We are here to help if you have been assessed as having a learning difficulty or medical condition and need extra support on your course.

We can offer:

- > 1:1 or small group in-class support
- > Specialist specific Learning Difficulty support
- > Screening for dyslexia support
- > Coaching sessions/workshops to equip you with strategies to help with studying and learning
- > Assessment and access arrangements for exams.

LEARNING CENTRE

The Learning Centre offers you access to resources and support in a calm and friendly environment. Resources include core course text books – in print or online – and over 100 desktop computers and mobile devices. There are also printing facilities available and a variety of study areas for different ways of working, eg whole class work, small group work or silent working. You can also access support, either individually or as part of a group, for developing the following skills to enable you to maximise your progress:

- ICT
- Digital
- Study
- Research

- Presentation
- English
- Maths

ENGLISH AND MATHS

Most employers agree that good English and maths skills are one of the most important things they look for when considering taking on an employee – and with competition for jobs increasing, it's crucial you build up your confidence in these skills to succeed in any career. In fact, under government rules, if you got a grade 3 (or D) or below in English or maths at GCSE at school, and are under 18, you'll need to retake the exam to achieve at least a grade 4.

At Lewisham College you'll be able to do this alongside your chosen College programme. Our teaching staff make English and maths lessons fun to help maximise your achievement in these important qualifications and improve your prospects when you finish your programme with us.

STUDENT UNION

We want students to be involved in all aspects of College life. You can join our Student Union to make your voice heard by giving us feedback, help organise activities, and access a range of benefits.

STUDENT AMBASSADOR SCHEME

At Lewisham College we offer a great Student Ambassador scheme that will give you a chance to:

- Receive high street vouchers for your work
- Boost your CV and skills
- Build your self-confidence
- Make friends with other students from all over the College
- Get your chance to become our Student Ambassador of the Year

14-16 (Key Stage 4) Vocational offer

WE WORK IN PARTNERSHIP

with schools and local authorities to provide part-time alternative vocational routes to 14-16-year olds.

Our part-time alternative school provision is a great option for students who are less suited to traditional curriculums and would benefit from specialist vocational and academic training.

We offer a variety of proactive and hands-on services to engage young people to help them make the right choice for their futures. We only accept applications directly from the school **(where the student remains on roll)**.

FIND OUT MORE TODAY -

You can download information, including referral forms at Lewisham.ac.uk/14-16

Apprenticeships

AN APPRENTICESHIP combines practical training in a job with study. Being an apprentice means that you can gain the skills and qualifications you need for your chosen career while earning a wage.

At Lewisham College, we match you with an employer in your chosen sector, and work together to develop an individual training programme designed to give you the skills and experience you need to succeed.

As an apprentice you will:

- work alongside experienced staff
- gain job-specific skills
- earn a wage and get holiday pay
- study towards a relevant qualification (usually one day a week)

There are 3 different levels of apprenticeship:

- Intermediate Level Apprenticeship: working towards level 2 qualifications
- Advanced Level Apprenticeship: working towards level 3 qualifications
- Higher Level Apprenticeships: working towards level 4 and above qualifications

WHO CAN DO AN APPRENTICESHIP?

You need to be 16+, living in England and not in full-time education to do an apprenticeship (but you can apply when you're still at school). There is no upper age limit for apprentices. Lewisham College offers apprenticeships in a range of roles in four key sectors: hospitality, creative, business, and construction. We set up Advice and Guidance appointments, during which our specialist advisers will make sure that you meet the relevant eligibility criteria and help you decide on the level of apprenticeship you should apply for.

See LEWISHAM.AC.UK for new courses

English and Maths

NO MATTER WHERE YOU SEE YOURSELF in the future, you need to have good English and maths skills to find a job and move up the career ladder. If you left school without the qualifications you need, our courses will help you gain these vital skills – and even have fun while doing so.

Adult English and maths courses are **FREE** to most adults as long as you do not already hold the qualification you are studying for and have lived in the country for at least 3 years.

ESOL for Adults and Young People

IF ENGLISH ISN'T YOUR FIRST LANGUAGE and you want to improve your speaking, listening, reading and writing skills, our ESOL courses will give you the boost you need. On our courses you'll not only improve your English language knowledge but also learn about life and work in the UK and gain employability skills. We offer ESOL courses at all levels and for a range of careers (such as English for Classroom Assistant) and progression routes (including university), which means you can study on exactly the right course for you.

ESOL will enable you to:

- Improve your speaking, listening, reading and writing skills
- Participate in college life, and take part in activities and trips
- Improve your employability skills including CV writing and interview techniques
- Learn about life and work in the UK
- Prepare for future courses or employment

You will need to come along for an assessment to make sure we refer you to the right class for your level of English. Please visit: Lewisham.ac.uk to find out more.

Fees and funding information

WE APPRECIATE that the costs of coming to College can quickly mount up. It's important to us that attending College is affordable, and that you have access to any financial support for which you're eligible.

If you're 16-18 and a British citizen, you will not have to pay to study, but may need help with other essential costs such as travel, books, equipment and childcare. There are a range of financial support options available which you may be eligible for, depending on your circumstances.

FINANCIAL SUPPORT SCHEMES

16+ Oyster card

If you're 16-18, studying on a Further Education programme and living in a London borough, you're eligible for free travel on TFL bus routes. (Students not living in a London borough are eligible for half price travel on TFL bus routes.) Find out more at tfl.gov.uk/fares-and-payments/oyster/what-is-oyster.

Free college meals

You will be eligible for free meals if you, or your parent or carer, are in receipt of benefits such as Income Support, Jobseekers Allowance or Universal Credit. Find out more at gov.uk/apply-free-school-meals.

Totum card

The Totum card (previously known as the NUS Extra card) gives students access to over 200 exclusive discounts with a range of beauty, entertainment, eating out, music and travel brands. You can sign up for a Totum card, which costs £12, at the NUS website (nus.org.uk/en/nusextra/).

Care to Learn scheme

If you are a parent aged under 20, you may be eligible for the Care to Learn scheme which provides up to £175 per week to help with childcare costs while you study. You can only claim this benefit if your child's other parent is not available to provide childcare. Find out more at gov.uk/care-to-learn/overview.

Bursaries

National 16-18 bursary

The 16-18 bursary is designed to provide help with books, equipment, travel etc for students experiencing financial hardship. You may be eligible for this bursary, which is worth up to £1,200, if your household income is £21,000 or below. You'll also need to maintain a minimum 90 per cent attendance to be paid this bursary. Find out more at: gov.uk/1619-bursary-fund.

Council bursaries

Some London boroughs offer student bursaries to young people in education and training. To find out about bursaries in your borough, get in touch with your local borough council.

Continue your studies at Southwark College

SOUTHWARK COLLEGE (OUR SISTER COLLEGE) PROVIDES A RANGE OF HIGHER EDUCATION (HE) COURSES, and also has partnerships with a number of leading universities, enabling you to 'top up' your HE qualification to a full Honours degree.

There are lots of advantages of studying for an HE course at Southwark College, including:

- Lower tuition fees than universities
- Much higher ratio of tutor to student teaching, with smaller class sizes
- Dedicated HE learning hub within the College's campus, which hosts fantastic new facilities
- Central London location close to leading businesses, enabling you to gain valuable work experience as part of your course
- Option to gain a shorter HE qualification and enter employment, or continue to a 'top-up' third year, gaining a full degree
- Strong links with Higher Education providers including University of East London, University of Greenwich and Canterbury Christ Church University

Courses at Southwark College:

- HNC in Performing Arts (Dance)
- Foundation Degree in Art and Design
- Foundation Degree in Music and Production
- Foundation Degree in Business Management
- Foundation Degree in Business Information Technology
- HNC in Business
